- Style,
- Progression,
- Variety of tricks (refers to a good mix of standard airs, rotations, grinds, ...),

- Riders eligibility

50 points on rider's name at the UCI Individual Ranking are required before the Ranking Deadline (28th March 2023) to register. Rankings : [www.uci.org](http://www.uci.org)

It is important that the 31-12-2022 UCI BMX Freestyle Park World Cup ranking is used to determine the Top 50 riders who are free to enter even if they do not currently have the 50 UCI points.

In case a Park rider does not have 50 or more points his registration will be refused. In case a national federation does not presently have any riders with 50 or more points as of the ranking deadline for any particular event, that federation nevertheless has the right to enter a single rider for the category in question. In this case, it is up to the national federation to choose which rider is entered, if any.

*Exceptions:*

- Riders ranked in the top 50 of the final UCI BMX Freestyle Park World Cup ranking of the season prior (2022) may enter if they do not presently have 50 or more points as of the ranking deadline for any particular event in the season following.

- In case a national federation does not presently have any riders with 50 or more points as of the ranking deadline for any particular event, that federation nevertheless has the right to enter a single rider for the category in question.
