ASIA'S #1 QUALITY FINTECH SHOW

Join us and unlock the next big opportunity in money and accelerate Asia's fintech revolution.

YOUR PROBLEM: MOST 'OTHER' B2B FINTECH TRADE SHOWS

- **LOW DECISION-MAKER ATTENDANCE** – Struggle to attract senior leaders who can actually move the needle.
- **QUANTITY OVER QUALITY** – Focused on footfall, not meaningful business outcomes.
- **DISTRACTING LOCATIONS** – Venues that dilute focus and make it hard to connect with the right people.

OUR SOLUTION: MONEY20/20 ASIA 2026

- **PREMIUM DESTINATION SHOW** – A ticketed event in an iconic location, attracting a high-value, focused audience.
- **HIGH DECISION-MAKER DENSITY** – 1 in 3 attendees are C-suite; over 50% are senior decision-makers.
- **REGIONAL POWERHOUSES** – 79% of attendees are from APAC HQs – meet the people who matter most.
- **SMART MATCHMAKING** – Use our AI-powered Connect App to book targeted 1:1 meetings.
- **MAXIMUM ROI** – Achieve a year's worth of business in just three days.
