

# UNITI INNOVATION & BELONGING

EMPOWERING EVERY EMPLOYEE

At Uniti, we are committed to cultivating a workforce that reflects and strengthens the diverse communities we serve.

Our culture of inclusion and belonging empowers every employee to contribute their unique perspectives, ideas, and talents—fueling the innovation and collaboration that define Uniti.

By fostering an environment where everyone feels respected, valued, and inspired to bring their authentic selves to work, we ensure our collective success—connecting people, communities, and possibilities across the nation.

We are dedicated to inspiring and motivating employees to create amazing experiences for our customers, while creating opportunities for personal and professional growth. Our 4 pillars of CIB are fully inclusive. Every employee can, and is encouraged to, participate.

Uniti lives its values by welcoming diverse perspectives, amplifying every voice, and creating an environment where everyone feels valued and empowered.
