Providing Leadership, Interconnection, Networking, and Knowledge to enhance our workforce.

UNITI **INNOVATION
& BELONGING**
EMPOWERING EVERY EMPLOYEE

We are committed to fostering a culture of inclusion where diversity, compassion, and respect are at the core of how we work together. Our LINKs are an integral part of this commitment—providing spaces where employees can engage, share ideas, and help us leverage diversity to drive innovation and belonging.

Our LINK groups are employee-led communities that bring people together around shared interests, experiences, and goals. They're open to everyone at Uniti — offering opportunities to connect, learn, lead, and make a difference both inside and outside the company.
