

# CU1 Business Services

Thank you for considering Credit Union 1 for your business banking needs! We know your business is unique, and we're excited to help you find the account that will best fit today's goals and your future plans. Our business account experts are highly trained in the opening and servicing of a wide variety of business accounts. They will listen to what is most important to you and help make business banking a breeze!

## NEXT STEPS

- ➔ If you've already provided your contact information in a CU1 branch, you will receive a follow-up call from us within 24-48 business hours with more information. If you'd prefer, you can also call us at your convenience.
- ➔ While you wait to speak with your CU1 business expert, please review our informational chart below for the details and documents we'll need in order to establish your account.
