A Better Way to Keep Pests Out

You deserve a partner that understands your unique business needs—because effective pest control is a process, not a one-time event. Our Integrated Pest Management (IPM) approach identifies the best plan, starting with a comprehensive inspection and creating a customized program to fit your needs. Using methods that combine a collaborative and ongoing cycle of three critical activities, you can rest assured that you're getting maximum protection with minimum exposure. We call our Integrated Pest Management process A.I.M.[®]: Assess. Implement. Monitor.

ASSESS

Finding the exact cause of any pest activity at your business should be left to your provider. After our initial inspection, you'll know how you can best protect your property.

IMPLEMENT

Your job demands enough of your attention. We'll develop a custom Precision Protection[®] program with proactive pest control techniques, personalized tips and effective treatment.

MONITOR

You deserve complete confidence that your pest control is effective—which is why you'll receive year-round monitoring, documentation and communication.

Triple Guarantee For You

Enjoy a service guarantee that protects you from almost any pest-related downside risk when you choose us as your partner.

2x24 Response Guarantee: We'll respond to your request within 2 hours and, if needed, have someone on-site at your facility within 24 hours.

Reimbursement Guarantee: If your company is fined by a regulatory agency due solely to a pest infestation, Orkin will reimburse you for the amount of those fines that you are required to pay.*

360° Satisfaction Guarantee: With Orkin, your satisfaction is guaranteed on all sides with three unique 60-day guarantees.

- ◆ If you're not satisfied with the way we begin our service, Orkin will provide 60 days complimentary service.
- ◆ Any time thereafter, if you're not satisfied with your regularly scheduled service, Orkin will provide 60 days complimentary service.
- ◆ If you are still dissatisfied after 60 days of Orkin's complimentary service, we will pay for 60 days of regular service by another provider of your choice.
