# The Alliant advantage

We're proud to be part of your benefits package! Alliant is one of the largest credit unions in the U.S., with more than 90 years of history and 900,000+ members nationwide. We're 100% digital and not-for-profit, so members are rewarded with high savings and checking rates, low loan rates, rich credit card rewards and fewer fees.

1. The Emergency Savings Account dividend provides an Annual Percentage Yield (APY) of 3.01%. The APY is accurate as of the 1/22/2026 dividend declaration date. Dividends are paid on the last day of the month to account holders who have maintained an average daily balance of \$100 or more. Savings dividend may change after account is opened and is subject to change at any time. Fees may reduce earnings on the account.

2. Alliant Credit Union Emergency Savings Account Terms and Conditions.

This promotion is for current employees of CVS Health who open a new Emergency Savings Account ("Account") at Alliant Credit Union and meet the following requirements to receive up to four \$25 bonus deposits in the timeframe noted below. New account must be opened by applying online on or before May 31, 2027. New Account must be funded by one or more deposits totaling \$100 or more and posted within 30 days of Account opening. After the initial \$100 is deposited, Account must be funded every subsequent calendar month with deposits totaling \$100 or more posted by the last day of each month.

Account must remain open and in good standing, and maintain an average daily minimum balance of \$100. Accounts will be reviewed in 3-month intervals after the initial \$100 is deposited to determine eligibility for each \$25 bonus deposit, up to a total of four consecutive 3-month periods. Failing to earn a \$25 bonus deposit in one 3-month period does not preclude you from earning a bonus in a subsequent 3-month period. The balance at the end of each 3-month period must be:

- \$300 or more for the first 3-month period;
- \$600 or more for the second 3-month period;
- \$900 or more for the third 3-month period; and
- \$1,200 or more for the fourth 3-month period.

The following provides several examples of how to earn a \$25 bonus deposit for the first 3-month bonus period:

| Account opened: | Initial \$100 deposit posted (required within 30 days of Account opening): | Subsequent \$100 monthly deposits posted by end of subsequent calendar months: | \$25 bonus deposit for first 3-month period paid by:                     |
