

MATCH YOUR STATUS ON THE AIRLINE FOR BUSINESS TRAVEL.

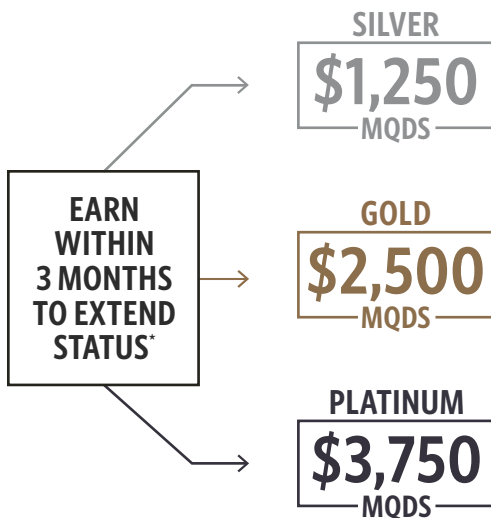

DELTA
SKYMILES®

REQUEST MEDALLION® STATUS TO EXPERIENCE THE DELTA DIFFERENCE.

Go beyond the status quo as a Medallion Member. With Delta's **Corporate Status Match Challenge**, eligible business travelers* who have elite status with another airline can enjoy Complimentary Platinum, Gold or Silver Medallion Status for a 6-month period. Complimentary Status will be granted based on the equivalent status with another airline.

Want to extend your Medallion Status? Keep it through January 31, 2026 (end of the 2025 Medallion Year), by earning the required amount of Medallion Qualification Dollars (MQDs) during the 3-month challenge period.

HERE'S HOW IT WORKS

1 Join: Enroll in the SkyMiles Program (if not yet a Member) at delta.com/enrollcsa

2 Sign Up and Enjoy Medallion Status: Request a Status Match at business.delta.com/statusmatch. Have proof of elite status at another airline ready to go (requirement details available on sign-up page).

3 Check Your Inbox: Keep an eye out for an enrollment confirmation email, followed by an approval email that confirms your matched Status. Once approved, you'll be matched to Platinum, Gold or Silver Medallion Status for 6 months based on your current elite status with another airline.**

4 Keep Earning to Extend Your Status: Extend your Medallion Status through January 31, 2026, by completing the Challenge requirements within 3 months of enrollment.

*To be eligible for the Corporate Status Match, a traveler must have flown on a ticket purchased via a qualified authorized company channels within the past 12 months or have a booked ticket within 90 days of enrollment and be associated with the company's corporate travel arrangement with Delta.**Qualifying Status Match recipients will earn equal or lower Medallion Status than their matched status with another airline, as determined by Delta.

TERMS AND CONDITIONS EFFECTIVE FOR ENROLLMENTS ON OR AFTER JANUARY 1, 2024 **Status Match Offer and Eligibility:** Delta Air Lines ("Delta") is offering Corporate Travelers who are elite members of another airline's frequent flyer program an opportunity to match their status on such other airline to Platinum, Gold, or Silver Medallion Status ("Status Match") for 6 months. Complimentary Platinum, Gold or Silver Medallion Status will be granted based on the equivalent status with another airline (as determined by Delta at its sole discretion). To be eligible for the Status Match promotion, a member must (a) be an active Eligible Traveler (as defined in the CSA or MSA, as applicable) at a participating company that has an active Corporate Sales Agreement ("CSA") or Mid-market Sales Agreement ("MSA") in place with Delta, and (b) have traveled on a Delta-marketed ticket (excluding Basic Economy fares) booked through a company booking tool, tagged with the company ticket designator, within the past 12 months or have booked travel within 90 days of request submission for Status Match (the "Corporate Travel Requirement"). Members who have not satisfied the Corporate Travel Requirement do not qualify for the promotion. Promotional, temporary, and complimentary elite status (including earned status through any promotional or status match program) on other airlines will not be eligible for this Status Match promotion. This offer is not available to travelers who previously or currently enrolled in a corporate accelerated Medallion Status offer or travelers who have participated in any Medallion Status promotion such as a Status Match Challenge or Reclaim My Status or received any complimentary Medallion Status in the past two calendar years. Please note that while the system allows any Member to enroll, only eligible Members will qualify and receive the benefits under this offer. SkyMiles Members must first register online for participation in the offer by December 31, 2024 (ending 11:59:59 PM, U.S. CDT on 12/31/2024). Promotional registration is required before complimentary Medallion Status will be awarded. During the complimentary Status period, you will not have access to Choice Benefits, unless you earn Medallion Status through the published requirements at delta.com. Medallion Status must be earned in subsequent years by earning the required Medallion Qualification Dollars (MQDs). **Status Extension Offer and Eligibility:** Corporate travelers who wish to extend the complimentary Medallion Status earned through Status Match may do so by earning the required amount of Medallion Qualification Dollars (MQDs) for that Medallion Status category within 3 months after enrollment in Status Match: \$1,250 MQDs for Silver Medallion Status, \$2,500 MQDs for Gold Medallion Status, and \$3,750 MQDs for Platinum Medallion Status ("Challenge"). See the Qualifying Activity Section below to determine how you can earn MQDs for this Challenge. Before a corporate traveler can earn MQDs toward the Challenge, the member must first purchase a flight via the authorized company booking channels after enrollment; any MQDs earned prior to this first flight will not count towards the Challenge. Contact your travel department for more information on the booking channels. If these requirements are not met, your Medallion Status will return to the applicable Status you qualified for during the Medallion Year after your complimentary Status ends. For example, if you enroll in the challenge in 2024, and are given complimentary Platinum Medallion Status (held Silver Medallion Status prior to enrolling in the Challenge), and you complete the MQD earn requirement (\$3,750 MQDs) within 3 months of enrollment in Status Match, your Platinum Medallion Status will be extended through January 31, 2026 (the end of the 2025 Medallion Year). If you do not complete the MQD earn requirement within 3 months of enrollment in Status Match, your Medallion Status will revert to Silver Medallion Status after the 6-month complimentary Status Match window ends. Members who earn Platinum, Gold, or Silver Medallion Status beyond the 6-month period through this Challenge will be updated in the system within 15 business days of accumulating the required amount of MQDs. Members who successfully complete this Challenge are eligible for Choice Benefits for Platinum Medallion Status only. **Qualifying Activity:** Offer to extend complimentary Medallion Status earned through the Challenge must be completed within three months from enrollment in Status Match and will not include MQDs earned prior to enrollment in Status Match or after the account upgrade in connection with Status Match. Participation does not guarantee Medallion Status. Matched Status will expire at the end of the 6-month complimentary period unless that level or a higher level of Medallion Status is awarded prior to that date based on the requirements listed above in connection with the Challenge. Once the initial qualifying flight is complete, additional activities to earn MQDs include Delta and Partner flights (excluding Basic Economy tickets), use of qualifying Delta SkyMiles® Platinum American Express Card, or Delta SkyMiles® Reserve American Express Card, and Delta Vacation packages. MQDs earned from MQD HeadStart using an eligible Delta SkyMiles® American Express Status Card will not apply towards required MQDs for the Status Match offer, even if the eligible card is acquired during the Offer Period. **SkyMiles:** All SkyMiles Program rules apply to SkyMiles Program membership, miles, offers, mile accrual, mile redemption, and travel benefits. To review the program rules (including any additional terms and conditions), please visit delta.com/membguide. **Promotional Reference Code:** For questions, please refer the Delta customer service representative to promotional reference code (TBD). **Miscellaneous:** Offers void where prohibited by law. Offers and rules are limited and subject to change without notice. Other restrictions may apply. ©2024 Delta Air Lines, Inc. Expires 12/24. 23-11-GS11559703
