SPONSORSHIP PROSPECTUS

The world's most transformative HR conference.

Workhuman Live is more than a conference, it's a movement – uniting 3,000+ HR and business leaders across the world in pursuit of more purposeful work.

In 2026, we're taking the award-winning conference to the Sunshine State to rise above business as usual and meet the people who make work brighter. **Care to join?**

Sponsors shine brighter here.

Mission-driven

We partner with purpose, collaborating only with companies dedicated to creating positive change in the workplace.

Exclusive

We believe in quality over quantity. This means fewer sponsors, less noise for attendees, and more impact for you.

Intentional

Your brand is more than a logo. That's why we integrate your company with ease and intention, ensuring your presence is felt by thousands.

A photograph of a large, curved, dark-colored booth at a conference. The booth has the 'workhuman*' logo in white on its upper section. Below the logo, there are several white, stylized line-art icons of arrows pointing in different directions. A sign on the booth reads 'YOUR STORY is YOUR DAY' and 'Add it to The Big...'. People are seen walking through the booth, some carrying bags. The background is a blurred view of the conference hall.
