

Terms of Use

Document Management System (DMS)

Immer eine sichere Idee.

Confidentiality

Customer acknowledges that this Teams contains proprietary and confidential information of the project, and Customer agrees to maintain the confidentiality of this Teams and all information, data or materials contained therein. Customer agrees to not permit or allow any third party to use or access this Teams, which it further agrees to keep confidential and secure. Customer shall not use any proprietary or confidential information contained on the Teams for any purpose other than to conduct Customer's business with this project.

Content

All data, content, information and materials that may be found at and which comprise the Portal, including, but not limited to, customer information, account information as budget, financial project results, user information, images, illustrations, graphics, photographs, audio clips, video clips, text, artwork, software or HTML code (collectively "Content") are protected by privacy, confidentiality, trademark, service mark, copyright and/or other intellectual property rights or licenses held by Hertek Groep, its affiliates or third parties who have licensed such materials and content to Hertek Groep.

Content as Login credentials, VPN tokens , credit and debit card numbers, Personal Information (such as employee HR records, Social Security Numbers), most accounting data, other highly sensitive or valuable proprietary information and PIN codes are strictly forbidden!

Customer responsibilities

Customer is responsible for the on- and offboarding of the Customer Project team members.

This by communicating proactively about resource changes in his team to the Teams-owner. Customer is responsible for controlling the type of Information is corresponding the allowed data mentioned in the article 'Content'.

Customer team content

The project members have taken reasonable efforts to ensure that the Content contained on the Teams is accurate. However, all content is provided "AS IS," and Hertek Groep does not warrant and makes no representation that content provided on the Teams is accurate, appropriate or applicable for use in locations outside the EU.

Hertek Groep respects Customers confidential information stored in the private customer channel.

Without limiting the foregoing, Hertek Groep further disclaims and does not represent or warrant the following:

- Liability or responsibility or damage as to the correctness, completeness, reliability or accuracy in the representation of each and every product, including but not limited to, features and availability, confidentiality and integrity.
- Liability or responsibility for damage, theft, loss, injury or claim of liability of any kind based on or resulting from any information, data, materials or content contained on the Portal or as a result of unauthorized access to, damage to or interception of any data or communications sent to or from, scraped from or stored on the Portal.
- Liability or responsibility to any person, firm or corporation for any loss, damage, injury, claim or liability of any kind or character based on or resulting from any information, data, materials or content contained on the Portal or the accidental release of such information, data, materials or content.
