Rosé Garden

What is the Rosé Garden?

Beer Gardens are *so* pre-pandemic.
Allow us to welcome you to New York's very first
Rosé Garden!

This summer, on the 22nd street riviera, travel to
the coasts of Italy, the sun-soaked south of France,
and the high hills of California wine country.

Drink rosé cocktails, spritzes, and of course
glasses, bottles, and flights of rosé. You can get
down with some *glou glou* (glug glug!) wine or go
super luxe with baller Champagne.

Our wine list offers one of the largest
selections of rosé in the country, featuring rarities
from cult producers, large bottle formats, and
gems usually saved for the sommelier. Oh, and did
you know that our Director of Beverage wrote **the**
book on rosé?

Essentially, this is the place
to *drink pink*.
