

Bomberos Field Park

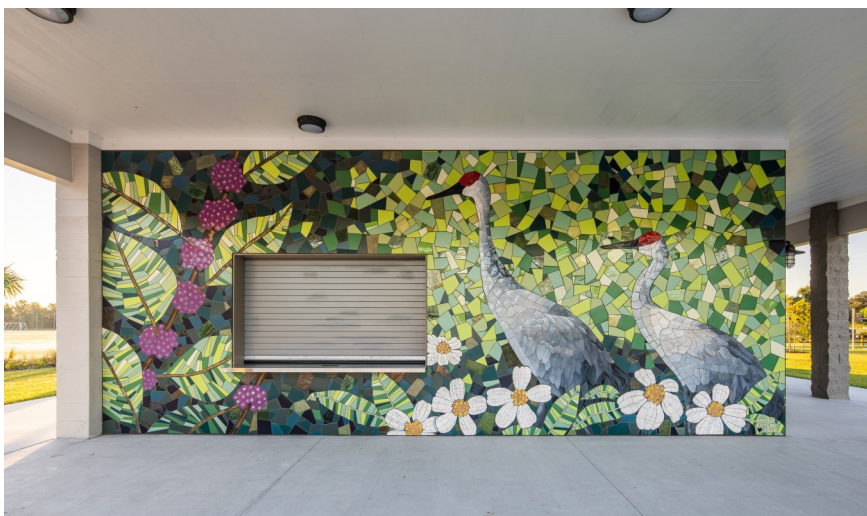

Orlando, Florida

Client:
Orange County Government

Total Cost:
\$5,100,000

Nature of Work:

Borrelli + Partners, Inc. was selected to provide professional architectural services for the new 20-acre Bomberos Field Park. The Park features three lighted, regulation-sized multi-purpose fields equipped for flag football, lacrosse, soccer, and other field sports. The Park also features a concession stand, restroom facilities, playground, and walking path. The playground is equipped with inclusive elements and wheelchair accessibility. The project included parking, site work, a bathroom and storage facility, and fencing.
