for connectivity, action and creativity  
as demonstrated during the

## Students Rebuild Paper Cranes for Japan Challenge

Thanks to your participation, youth facilities and community spaces now exist in some of the neighborhoods and villages hit hardest by the March 2011 earthquake and tsunami. The connection you have made with your peers and those across the globe, and the collective action you have taken, has made a lasting change.

**THANK YOU!**

Take Action. See Change.
