

# Certificate of Participation

This certificate is awarded to

---

for your learning and creative  
contribution to the

## FACING **Difference** CHALLENGE

Thanks for your commitment to learn, connect and take creative action! Through your efforts, you have helped fund programs that build empathy, understanding and peace in conflict areas around the world—as well as right in your local community through your actions. Together with peers from all across the globe, the collective action you have taken has made a lasting change.
