ENTER YOUR NAME OR TEAM NAME HERE

for connectivity, action and creativity as
demonstrated during the

Students Rebuild Youth Uplift Challenge

Thanks to your work making and lending 'hands'! You have helped to empower and uplift young people in Save the Children's programs in Nicaragua and Indonesia, as well as those right in your community through your local actions. The connection you have made with your peers and those across the globe, and the collective action you have taken—has made a lasting change.

THANK YOU!
