

Welcoming Refugees Project

Curriculum Resources

Partner	Description	Resource	Ages
Little Amal	In this education packet one will find a teaching curriculum from one of our partners Little Amal, a 3.5 metre-tall puppet that travels the world raising awareness about the plight of refugee youth in an initiative called The Walk. The Walk with Little Amal education curriculum resources has packets for youth ages 5-16. This resource can offer students opportunities to locate the world's countries, use maps and explore experiences, feelings and values related to refugees. Students will also be able to understand themes of home, fear, climate, migration, adventure and welcome for themselves and others.	<ul style="list-style-type: none"> • Little Amal Education Resources • Little Amal Activity Pack 	5 to 16
UNHCR	In this string of resources the United Nations High Commissioner for Refugees has created to support teaching around refugees, asylum and migration. The following teaching materials offer students the opportunity to learn about stories of refugees the same age as them. The guide also offers students the opportunity to build socio-emotional skills and celebrate diversity through the modules and lesson plans geared to understanding migration and refugee youth.	<ul style="list-style-type: none"> • UNHCR Education Resource 	6 to 18
Welcoming America	Contained in this educational toolkit one will find a curriculum from one of our partners, Welcoming America designed for teachers and after school learning centers. This resource can offer a guide to creating a welcoming school environment for refugee youth as well participate in Welcoming America's annual Welcoming Week programming that works to create possibilities for refugee populations to be included into communities across the country and the world.	<ul style="list-style-type: none"> • Welcoming America Education Resource 	5 to 12

World Savvy	In this educator guide, individuals will be able to access World Savvy's K2A (Knowledge to Action) packet. World Savvy is a partner of Students Rebuild and focuses on making schools inclusive, engaging and relevant for all students. This resource provides students with the critical skills needed to address a topic, understand the root causes that brought about the challenge and take action on the current refugee crisis.	<ul style="list-style-type: none"> • World Savvy Education Resource 	5 to 17
Facing History & Ourselves	In this guide from Facing History and Ourselves, educators are offered the tools to teach about refugee crises in Ukraine, those at the US-Mexico border and beyond. By having students look back to 1930, this resource allows students to look at a specific moment in time, understand how small steps can make meaningful differences, define words like migrant and refugee and explore ideas on how to support refugees.	<ul style="list-style-type: none"> • Facing History & Ourselves Education Resource 	5 to 12
World's Largest Lesson	In this activity by the World's Largest Lesson, students are asked to engage in perspective taking. In the first part of the activity youth brainstorm and think through what items they would pack in a suitcase if they are preparing for a holiday vacation. In the second part of this activity, students are asked to engage with the suitcase in a different way, thinking about what they would fill it with if they were fleeing their country/escaping.	<ul style="list-style-type: none"> • World's Largest Lesson Education Resource 	8 to 14
