

Ocean Challenge

Teaching Guides

students
r_build

I have: **2-4 hours**

I'm interested in
an approach that is: **simple with deep learning**

☞☞ **I'm in! I can dive deep with learning on this.** ☞☞

Here's a Teaching Guide to help you choose resources to build a great Challenge experience for your team. Before getting started, make sure you've registered your team at www.studentsrebuild.org/register.

Time	Activity	Resource
5 min	Introduce the Ocean Challenge Watch the Ocean Challenge Intro video.	• Ocean Challenge Intro video
10 min	Explain how the Challenge works Share the Ocean Challenge Overview as a take home sheet if you're able to print a copy for each student. If not, you can talk them through it. If you've already registered, you can show your team where they are on the map. If you haven't registered yet, come up with a fun name together!	• Challenge Overview
30 min– 2 hrs and 30 min	Diving into Ocean Learning Lead attendees through one or more of these learning tools focused on the ocean. Watch videos of individual stories of young people working to support ocean health. <i>Veta's Story highlights a young Montserratian woman's quest to support the local children to become ocean advocates.</i> <i>Hannah's Story highlights a 15-year-old in Georgia who lives hours from the coast but makes big waves for the ocean right from her local community.</i> For lesson plans, explore the recommended list of tools based on the average age of attendees.	• Videos with supporting Discussion Guides

Ocean Challenge

Teaching Guides

Time	Activity	Resource
45 min	<p>Make Art</p> <p>Watch our Ocean Art video to inspire your students to come up with ideas.</p> <p>Do you want to guide your team to create a shared marine community or just make individual sea creatures inspired by their creativity? Use the Making Art Guide to support various creative approaches to the art.</p> <p>Make art (and waves)!</p>	<ul style="list-style-type: none">• Ocean Art video• Making Art Guide <p><i>Recycled materials and supplies needed for art making</i></p>
30 min	<p>Closing</p> <p>Count and collect student art for submission. Submission can be done online at: www.studentsrebuild.org/submit</p> <p>After submitting, you will be able to see on your Team Dashboard page the amount of funding you helped raise to support coastal communities and ocean conservation.</p> <p>As you wrap up, ask your team to consider one thing they might do to impact the ocean. Hand out participation certificates.</p>	<ul style="list-style-type: none">• Participation certificate
