

Sparking global change through art-ivism

Introducing the
2022 Students Rebuild
World Needs Challenge

This year, the Students Rebuild team is launching a choose-your-own-adventure-style

Challenge to help some of the world's biggest needs. You're invited to become an "art-ivist" by using art to amplify a message that matters to you. Get creative and make an artfully illustrated poster, button, or pennant that reflects why you care about your cause. Then, share it with us.

We're inviting YOU to make art to support global issues that matter now more than ever. Want to know the cool part? For each piece of art you send our way, we'll donate money on your behalf to help young people around the world!

We've identified five world needs to inspire you as you create:

The World Needs...

Clean Oceans

with partner The Nature Conservancy

The World Needs...

Humanitarian Aid

with partner International Rescue Committee

The World Needs...

Hunger Relief

with partner No Kid Hungry

The World Needs...

To Overcome Bias

with partners CARE USA and The King Center

The World Needs...

Art Activism

with partner Creative Reaction Lab

**The World Needs Challenge runs from
September 14, 2021 to June 3, 2022.**
