👏👏 I'm in! I can dive deep with learning on this. 👏👏

Here's a Teaching Guide to help you choose resources to build a great Challenge experience for your team. Before getting started, make sure you've registered your team at [www.studentsrebuild.org/register](http://www.studentsrebuild.org/register).

Time	Activity	Resource

10 min	<b>Explain how the Challenge works</b> Share the Hunger Challenge Fact Sheet as a take home sheet if you're able to print a copy for each student. If not, you can talk them through it.  If you've already registered, you can show your team where they are on our global team map. If you haven't registered yet, come up with a fun name together!	<ul style="list-style-type: none"> <li>• <a href="#">Hunger Challenge Fact Sheet</a></li> </ul>

40 min	<b>Make Art</b> Invite students to take action through art making! Watch our " <a href="#">How to make Recipe</a> " video to inspire your students to come up with ideas.  Students can work independently or contribute to a shared project like a class recipe book. Use the Making Art Guide to support various creative approaches to crafting the recipes.
