My Future, Who do I want to become?

Police Officer

Police officers protect lives and property.

Today, a police officer came to our school. She was very nice. She likes keeping us safe.

Great to hear that you liked Constable Jessica! She will continue to keep our neighbourhood safe. Jessica will be back in the spring to do a safety presentation. Before then, could you please tell me one thing that police officers do to keep you safe?"

Mrs Mohr • 25 days ago

0:01

Police officers keep me safe by making sure our neighbourhood is safe. Jessica taught us about road safety, and how we can cross the road with an adult, and when we follow the signs.

DM

This looks great, Velma! I like the use of colours when practicing your letters.

Mrs. Morin • 25 days ago

Today I wrote my whole name on a piece of paper!

Today we helped our custodian clean up near the school. What a great day to meet new friends!

I can check off a task from my goal to reduce trash in the playground. We picked up a lot of cans and plastic today. We had fun outside. I hope we can continue to keep our school yard clean of trash!

Great to see you helping clean the school area, and have a new task checked off of your action plan. What custodian did you work with? Why do you think it is important to keep our school clean?

Mrs Morin • 10 days ago

The custodian was Mr. Kent, I like him! He held the garbage bag for us when it got heavy. I like to keep the school clean because we like to play at school and having a clean school ground makes us safe when we play. It also looks really nice!

I like to play outside with my new friends! We played with bubbles, and chased them until they popped! We learned how to spell each others names today. We shared a piece of paper, and wrote all of our names together

It's nice to see you working well with others, and making new friends. Can you tell me two things you have learned about your new friend, Cassandra?

Mrs Morin • 3 days ago

I learned that Cassandra likes to play tag outside. Cassandra also likes to read books about adventure! We will be playing tag at the next recess.

Reduce the amount of trash on the playground

Action Plan

- ✓ Learn what kind of trash can be recycled
- ✓ Sort trash between garbage and recycling bins
- ✓ Spread the message to the school community to keep the playground clean

Show Comments?

Yes

Our class is working together to make the playground a better place.

Edit

We learned what kind of trash can be recycled today. We can recycle glass bottles, pop cans, and cardboard boxes! I can check off a task on the Action Plan!

25 days ago

Edit

Our next task is to spread the message to the school about how to keep the playground clean. We are going to draw signs that we can put next to the entrance, and by the garbage so everyone will know what to recycle!

Great story, Velma! You read your book today during story time. What will be the next book you try to read? Do you practice reading at home?

Mrs Morin • 20 days ago

I am going to read "Big Bear, Small Bear" next! I have a lot of books at home that I practice reading. I read every night before bed. I like to listen to a book, and then I read a book with help. I like to read, and have fun sounding out new words!

Well done, Velma!! Why do you think everyone should take turns on the swings? How does being fair to your friends make you feel? How can we make sure our class is fair to all?

Mrs. Moriri • 18 days ago

I feel nice, and good when I share. I think that being fair is the best way to be because then everyone has a change to be happy and enjoy school. We can make sure our class is fair by letting everyone try their best, and
