

## Crimson Continuum of Care

### Tip Sheet for OUTPATIENT Physicians that Admit, Discharge, Consult, or Perform Procedures at a Baptist Health Facility

#### Logging into Crimson Continuum of Care:

1. Log into Crimson account using BHPP issued username (email address on file).
2. A temporary password will be sent to you from Crimson if you have not already set up your Crimson account.
3. If you need assistance obtaining a username please contact Megan McQueen at [megan.mcqueen@baptist-health.org](mailto:megan.mcqueen@baptist-health.org). If you forgot your password, select "Forgot Password?"
4. Once logged into Crimson the home page will open-the home page may look different depending on specialty and access.

#### Navigating Your Physician Profile:

1. In the upper, right corner, exists the Focus Feature.
2. Click on "Focus."
3. Click on "Role."
4. Use this key to determine your setting:
  - a. Admit or Discharge = "Designated Attending"
  - b. Consulting = "Consulting"
  - c. Performing = "Performing"
  - d. ED Attending = "ED Attending"
5. Select the right role for you and click "Apply."

**Understanding the Dials:**

**Measure Title**

Dive into data on MS-DRG, cases, patients, and more. All information is sortable.

**Your Result**

**Comparison Group Average**

Click the "?" to learn more about definitions and methodology on a given metric.

Select this icon for a chart of how you have done over time.

Don't panic if one of your dials is red. The gauges are more of a check engine light and sometimes it is a good thing to have a low number. A red dial is just a visual queue to let the viewer know that further analysis is needed.

**Additional Help:**

Additional help can be found in the upper right corner of CCC. The online help features tip-sheets, video tutorials, and CMEs for physician users.
