

To the users of Eindhoven Airport

Subject:  
Notice of determination of charges and conditions

Date:  
28 October 2022

Dear users,

We hereby inform you that the charges and conditions for Eindhoven Airport as of 1 April 2023 have been determined.

All documents are drawn up in Dutch and (for the most part) have been translated into English. Only the Dutch documents are legally binding. No rights can be derived from the English translations. In addition to this electronic notification, the charges and conditions are available for inspection until 25 November 2022 at the office of Eindhoven Airport, located at Luchthavenweg 13 in Eindhoven.

The determination of the charges and conditions follows a consultation process with the users. After sending the proposal for the charges and conditions on 9 September 2022, the user consultation have taken place on 23 September 2022. Users have had the opportunity to submit their viewpoints in writing to Eindhoven Airport until 7 October 2022. Eindhoven Airport hasn't received written viewpoints.

All information that users share with Eindhoven Airport within the framework of the consultation process and vice versa should be regarded as strictly confidential and economically sensitive.

We would like to thank you for participating in the consultation process. This communication will be sent to users by e-mail and not by regular post.

Kind regards,  
Consultation Team  
Eindhoven Airport N.V.
