- Over 80 destinations year-round
- 22 European capital cities
- 25 countries

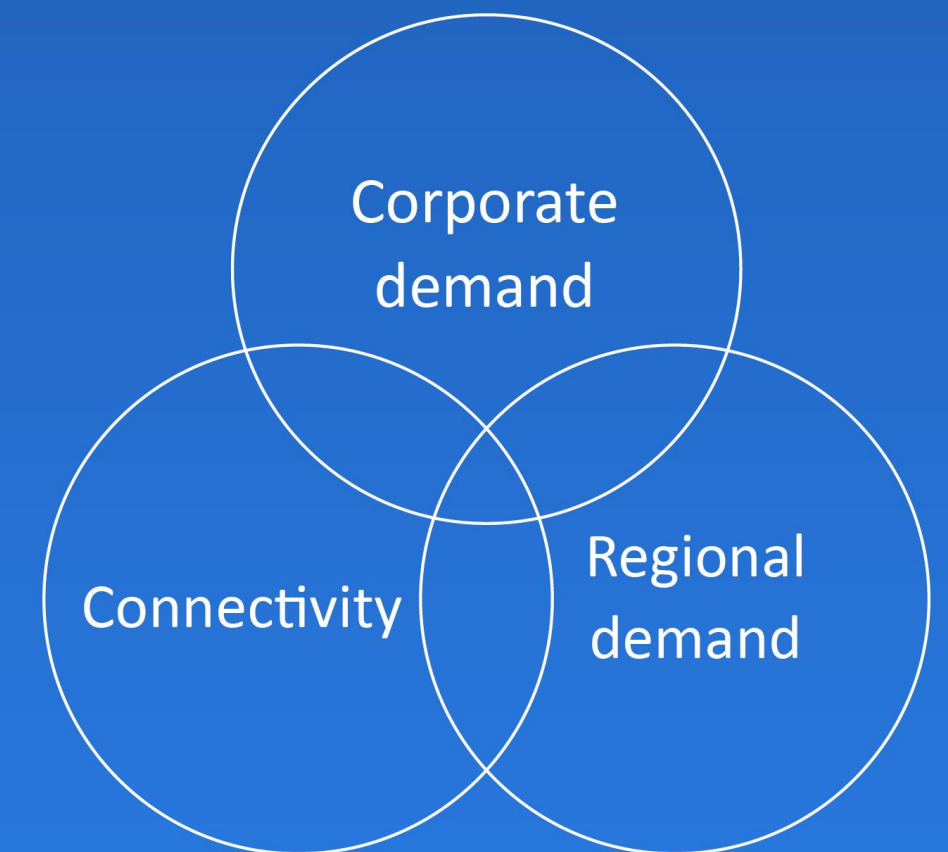

Eindhoven Airport -

Eind·ho·ven air·port (the; m; pronunciation: 'Eyent-hoh-van' Airport)

Airport

A strong outbound leisure market driven by the Dutch and Belgian economy with a high VFR share shaped by the internationals living and working in Eindhoven's high-tech ecosystem. With opportunities in business traffic, due to Brainport's staggering economic growth, and inbound tourism seeking tech, design and knowledge.

EindhovenAirport 

Goed dat je er bent.
