Subject : PPR Regulation terminated at Eindhoven Airport

To whom it may concern,

Per 1 January 2026 the PPR regulation for General Aviation (including business aviation) at Eindhoven Airport (EIN/EHEH) ends. From this momentum all flights at Eindhoven Airport (EIN) must apply for slots via the Dutch slot coordination (ACNL, <https://slotcoordination.nl/>). All eligible rules, terms and conditions apply. For airport specific charges, terms and conditions see: [General Aviation & Business Aviation | Eindhoven Airport](#)

The capacity (restrictions) and number of slots available at Eindhoven Airport are also published, per IATA season via the capacity declaration, via the slot coordination and can be found on <https://slotcoordination.nl/>. Slots are to be requested at ACNL. Instructions can be found in the [ACNL Working Procedure GA EIN W25](#) (Link: [20250912 Working Procedure General Aviation Slot Allocation Eindhoven \(EHEH/EIN\) W25](#)).

For General / Business aviation flights at Eindhoven Airport Viggo is a local ground handler with capacity and knowledge for handling General Aviation. Viggo can be reached per email generalaviation@viggo.eu, koos.oldeolthof@viggo.eu and account.management@viggo.eu. Preferably use all three email addresses at the same time to make sure all requests are answered properly (www.viggo.nl). Flights without any pre-ordered handling cannot be accommodated.
