Bob Evans Restaurants Celebrates New Steak Entrées with Free Date Nights for a Year
"Date Night, Steak Night" giveaway will award three couples the ultimate date night package

NEW ALBANY, Ohio, October 22, 2019 – To commemorate the anniversary of Bob and Jewell Evans' first date night on October 22 so many years ago, Bob Evans is giving three couples an exclusive opportunity to enjoy date nights at their local restaurant for an entire year – on us! Inspired by the 67-year marriage and partnership between the company's founders and namesakes – Bob and Jewell Evans – the *Date Night, Steak Night* giveaway invites couples to visit <https://bobevans.wyng.com/date-night/> and share their Bob Evans-inspired love story for a chance to win.

"The relationship between Bob and Jewell Evans has had such a huge impact on the way we do business, and the hospitality we strive to show our guests. Even while they were raising six children and building an iconic brand, they always found time for each other," says Bob Holtcamp, chief marketing officer for Bob Evans Restaurants. "As we introduce four new USDA Choice Steak entrées to our menu, we felt there was no better time to invite our guests to carve time out for loved ones – the Bob and Jewell way."

Starting today through November 3, guests are invited to visit <https://bobevans.wyng.com/date-night/> where they can upload a photo of themselves and their spouse, partner or loved one, along with a 100-word testimonial of their Bob Evans-inspired love story – anything from bonding over a favorite entrée, celebrating a relationship milestone at one of our restaurants, or simply why they're craving some special time together over a quality meal.

Three winners will be chosen at random to receive one ultra-special date night at their local Bob Evans with their loved one on a day of their choosing, including a personalized menu developed in partnership with Bob Evans for the couple's special night out. The winning couples will also receive a Bob Evans gift card (valued at \$600) that would allow them to continue enjoying date nights every month for an entire year.

Now through December 31, any guest can make date night special with one of Bob Evans four new craveable USDA Choice Steak entrées, including:

- **Steak Omelet**, made with three fresh-cracked eggs and loaded with USDA Choice Steak strips, sautéed onions, fresh red & green peppers and American cheese, topped with cheddar cheese and green onions.
- **Steak Benedict**, a fresh take on steak and eggs! USDA Choice steak strips topped with hollandaise, two fresh-cracked eggs cooked-to-order, sautéed fresh red & green peppers and green onions on a split, toasted English muffin.
