## SAP AT LUMIFY WORK

Develop your SAP empowered employees with Lumify Work. Getting the right skills in place maximises the chance of project success and removes risk. Lumify Work provides a select range of SAP training courses for SAP S/4HANA, SAP HANA, SAP BusinessObjects and more. Lumify Work can work with you to navigate the curriculum and help you create a learning plan that will ultimately boost technology proficiency across your organisation.

## WHY STUDY THIS COURSE

This two-day course provides the mandatory foundation knowledge required for the implementation of the Australian Single Touch Payroll (STP) solution.

You will learn how to set up SAP CPI, ERP, and the process of reporting the Pay Event to the Australian Taxation Office (ATO).

This course is based on software release:

- SAP ERP 6.0 with EHPxx

## WHAT YOU'LL LEARN

This course will prepare you to:

- › Set up SAP CPI for Single Touch Payroll
- › Configure key tables and wage types
- › Manage the conversion of mid-year pay results to new STP clusters
- › Describe how to organise and run the STP Pay Event, including subsequent activities and problem-solving aids

# Single Touch Payroll (WAUSTP)

*My instructor was great being able to put scenarios into real world instances that related to my specific situation.*

*I was made to feel welcome from the moment I arrived and the ability to sit as a group outside the classroom to discuss our situations and our goals was extremely valuable.*

*I learnt a lot and felt it was important that my goals by attending this course were met.*

*Great job Lumify Work team.*
