Quick Facts

Overview

If you're a subscriber to SAP Learning Hub, you have access to a vast library of content from the SAP Education organization and all the information and instruction you need to build your SAP software skills and knowledge. But if you're an online learner, how do you practice those skills and gain hands-on experience with real-life SAP software environments?

With SAP Live Access, you can carry out exercises on live training systems from SAP that are preconfigured with all the data you need for the course you are studying. Simply launch

and learn. You're also free to experiment – your access isn't limited to carrying out the exercises. Whether you are preparing for a customer engagement, practicing for an SAP certification exam, looking to acquire new skills, or just experimenting, SAP Live Access can help you reach your training objectives.

The SAP Live Access environment is available for a wide variety of SAP solutions, and we're adding more all the time. [Check the available course catalog for SAP Live Access.](#)
