SAP® Learning Hub, edition for IoT and digital supply chain

The **Focused Enablement** You Need for IoT and Digital Supply Chain Products from SAP

THE BEST RUN

Summary

SAP® Learning Hub, edition for IoT and digital supply chain, is one of the fastest routes to solution-specific success – accelerating onboarding, software adoption, and proficiency for everyone involved in implementation and deployment. This comprehensive digital learning platform offers enterprise-wide, 24x7 access to a wealth of learning resources for IoT and digital supply chain products from SAP, including solutions for manufacturing, R&D, engineering, and asset management.

Objectives

- Accelerate and maintain proficiency in IoT and digital supply chain solutions from SAP
- Upskill on new features and functionality
- Increase adoption and productivity
- Reduce per-learner training cost
- Prepare for certification exams

Solution

- Visual SAP Learning Journey guides with recommended paths to competency
- Social, collaborative SAP Learning Rooms led by SAP experts
- Unlimited, anytime access to comprehensive online resources
- 60 hours on the SAP Learning System Access portal for hands-on training*
- Two exam attempts for SAP Certification

Benefits

- Tailored edition to accelerate solution-specific proficiency
- Ability to focus your learning on highly relevant content
- Increased adoption, productivity, and talent development
- Reduced per-learner cost and time to value
