

ITIL 4 Certification Scheme

As with ITIL v3, candidates commence with **ITIL FOUNDATION**, then undertake further courses and exams leading to one of three designations, **ITIL MANAGING PROFESSIONAL (MP)**, **ITIL STRATEGIC LEADER (SL)** or **ITIL PRACTICE MANAGER (PM)**. The highest level, **ITIL MASTER**, is an evidence-based industry certification with no further exam.

* ITIL 4 Master will be awarded to candidates who achieve the Practice Manager (PM), Managing Professional (MP), and Strategic Leader (SL) designations.

** To be awarded the Practice Manager designation, a candidate must achieve ITIL MP CDS certificate and ANY five practice-based certifications, OR ITIL MP CDS certificate and any ONE of the pre-bundled courses. These may include the ITAM and BRM extension modules or any practices from the Practice Manager track.
