SAP Learning Hub, Professional Edition

Maintain and Build Your SAP® Software Skills with Up-to-the-Minute Digital Training

THE BEST RUN

Summary

With SAP® Learning Hub, professional edition, you gain instant access to the latest training content – geared for IT professionals. The edition provides access to online, collaborative, hands-on, and expert-led training in multiple SAP solution areas, so you can enhance your skills or prepare for certification exams. You can stay current with the latest SAP innovations and stay ahead of competition.

Objectives

- Build and reinforce skills, cross-train, and expand capabilities
- Keep SAP software skills current for customer engagements and certifications
- Collaborate with SAP subject-matter experts and peers
- Achieve your learning goals using SAP Learning Journey

Solution

- Digital learning content across the SAP solution portfolio, including partner-specific content, SAP Learning Journeys, expert-led live sessions, and peer-to-peer learning opportunities
- 60 hours of hands-on practice time on live SAP learning systems
- Opportunities to stay current with the latest SAP solution innovations

Benefits

- Leverage a digital solution for peer collaboration, self-paced study, and hands-on practice
- Tackle challenging training assignments and exercises – right at your desk
- Update and optimize your skills anytime, anywhere

SAP Information Sheet

Quick Facts

Overview

SAP® Learning Hub, professional edition offers the most current training content for professionals who are involved in SAP software implementation projects.

With this edition, you get easy access to all available digital training content across SAP solutions in various formats and languages. With direct access to the enablement you need, you can prepare for implementation projects and SAP certifications and stay current with the latest SAP innovations.

You can also practice on live, fully supported SAP learning systems, with 60 hours of hands-on practice time per year included in your solution.

Choose a private cloud version of the professional edition, and you'll get a company-specific cloud domain and UI with the option to upload company-specific training content to SAP Learning Hub, exclusively for your staff.

Collaborate with SAP experts and your peers – **anytime, anywhere** – to maintain solution competency, prepare for specialized certifications, and broaden your technical skills.
