## Step one

Begin by cutting 60cm of macramé cord with sharp scissors.

## Step two

Fold the macramé cord in half and tie a larks head knot around the largest wooden craft ring.

## Step three

Thread the two ends of the macramé cord through the wool needle and thread the wooden beads from the wooden craft accessories pack onto the cord.

## Step Four

Thread the two smallest craft rings onto the macramé cord and place over the beads.

## Step five

Thread a craft ring onto the end of the macramé cord and tie a tight larks head knot

## Step six

Tie a simple knot round the larks head knot, wrapping the macramé cord round again a few times and finishing off with another knot. Finally, to finish your design, cut off the excess cord with scissors.
