HOW TO MAKE

FLOWERS

Make a total of 8 flowers, following **chart 1 FLOWER**.

Two using colour B, two in colour C, two in colour D and two in colour E.

Cut yarn, wave ends in and reserve the pieces.

LEAVES

Using colour F make nine leaves following **chart 2. LEAF A** and two more following **chart 3. LEAF B**. Cut yarn, wave ends in and reserve the pieces.

ASSEMBLE

Join the flowers following the colour sequence shown in **chart 4. COLOUR SEQUENCE**.

To do so, join new thread colour F into the first Leaf B, make a dc into the first Leaf A, make 10 ch and continue joining pieces as you make the ch of R1 of **chart 5. ASSEMBLE**. Finish R1 joining the last Leaf A and Leaf B.

Finally, end the green cord making R2 and R3 of the same chart.

WASHING ADVICE

Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.

Do not bleach.

Do not tumble dry. Drip-dry on a horizontal surface.

Iron on a hot temperature setting using a damp cloth.

Professional dry cleaning in tetrachloroethylene.

Do not use optical brighteners (or any detergent containing optical brighteners). We recommend to use a softener to preserve the natural softness of the yarn.
