MEN'S BRACELET SIZE GUIDE

Before using the ruler to find your fit, make sure this guide is printed on US Letter size paper (8.5 x 11") and scaled to 100%. To check the accuracy of your printout, position a credit card under the line below. The scale is correct if the credit card and line length match.

MEASURE YOUR WRIST WITH THE SIZER

1. Carefully cut along the outline of the printable bracelet sizer. Make a small slit on the dotted line on the left end of the sizer.
2. Wrap the sizer around your wrist just below your wrist bone with the numbers facing out.
3. Pull the pointed end of the sizer through the slit. Tighten it to a comfortably loose fit around your wrist.
4. Find your measurement on the sizer. Compare this measurement to the chart below to find your bracelet size. If you are between sizes, opt for the larger size.
