Course Schedule

Course scheduling is continuous in nature (24/7/365). Students are able to enroll and complete the course at times most convenient for them.

Course Completion Requirements & Attendance

Students must complete 100% of the learning material presented in a course and demonstrate understanding of the material by passing all quizzes and the final exam (where required by the regulatory entity) to receive credit hours for the course. Students who do not complete 100% of the material will not be issued a certificate of completion and will not receive credit hours for the course.

For courses that require monitored seat time, our online course delivery system manages this requirement.

All course enrollment and completion times are recorded in Central Standard Time (CST). The CE Shop does not have a probation policy in place for courses.

Final Exam/Final Exam Re-Take

All end-of-course Final Exams cannot be completed until all regular coursework is complete. There is a maximum of 2 attempts allowed. If the first exam attempt is failed, a subsequent examination must be complete no later than the 90th day after the date the original class concludes. If a student fails the second attempt, the student must re-enroll and retake the course.

Job Placement and Assistance

The CE Shop does not assist students with job placement and does not guarantee job placement or salary amounts upon completion of this program.

Technical-System Requirements

The CE Shop courses are delivered through a secure and proprietary Learning Management System (LMS). An internet connection is required (high speed is recommended, but not required). Please refer to our FAQ page for a full list of requirements.

Texas Pre-Licensing courses expire six (6) months from the original date of purchase. Please refer to the state-specific catalog page for course information. The student will be granted an automatic one (1) month extension at no charge and such one (1) month free extension will be applied immediately after the initial six (6) month term. For any reactivation or extension of the course after the seventh (7th) month, The CE Shop will charge the student twenty percent (20%) of the current retail price of the course for each thirty (30)-day extension or partial thirty (30)-day extension in the event that the course expires prior to the end of the final thirty (30)-day extension. Extensions or reactivations cannot be granted beyond twelve (12) months from the original date of purchase of the course since in all events, the course expires twelve (12) months from the original date of purchase.

If the course is not completed within twelve (12) months from the original date of purchase, the student will be required to purchase a new course at fifty percent (50%) of the current retail price of the new course and fully complete the new course, including passing the final exam, if the student wishes to be granted credit for the new course.
