Live (synchronous) courses are refundable up to three (3) weeks (fifteen (15) business days) prior to the scheduled start date of class. No refunds will be issued if online training is more than fifty percent (50%) complete or if the live class has started.

EXTENUATING CIRCUMSTANCES

In the case of extenuating circumstances, the director will consider a settlement that is reasonable and fair to the student and the school.

EXPIRATION AND EXTENSIONS

Online courses must be completed within twelve (12) months of enrollment date. If you are unable to complete your course within the initial twelve (12)-month period, then you may extend your course access, for a fee, for up to eighteen (18) months total, when allowed by the regulatory body.* The cost of extension is twenty percent (20%) of the current retail price of the course for each thirty (30)-day extension or partial thirty (30)-day extension, in the event that the course expires prior to the end of the final thirty (30)-day extension. Access to the course after thirty (30) days from initial expiration requires re-enrollment at a discounted fee of fifty percent (50%) of the current retail cost and no progress will be kept.

Live classes and field training expire according to the class dates and attendance is required. Missing any scheduled days will result in forfeiture of tuition and require re-enrollment in an upcoming class at a discounted fee of fifty percent (50%) of the current retail cost.

CHANGES MADE BY THE SCHOOL

If the school cancels or changes a course of study or location in such a way that the student who has started is unable to complete training, arrangements will be made in a timely manner to accommodate the needs of each student enrolled in the course who is affected by the cancellation or change. If the school is unable to make alternative arrangements that are satisfactory to both parties, the school will refund all monies paid by the student of the course.

EMPLOYMENT ASSISTANCE

American Home Inspectors Training has not and will not make any guarantees of employment or salary upon graduation.

PROGRESS COMPLETION AND ATTENDANCE

Students must complete 100% of the learning material presented in a course and demonstrate understanding of the material by passing all quizzes and the final exam (where required by the regulatory entity) to receive credit hours for the course. Students who do not complete 100% of the material will not be issued a certificate of completion and will not receive credit hours for the course.

For courses that require monitored seat time or limit credit hours in a 24-hour period, our online course delivery system manages this requirement.

All course enrollment and completion times are recorded in Central Standard Time (CST).

American Home Inspectors Training does not have a probation policy in place for courses.
