[7] ADDITIONAL TECHNICAL INFORMATION FOR LIVE PROGRAMMES

(Note: Deliverables outlined in parts [1]-[6] are also required for Live programmes)

For all live programmes, contact should be made with ITV Connectivity well in advance of transmission

Production companies providing live programming to ITV need to ensure their production has received technical sign-off by ITV at the start of the planning process for such programme. This is to ensure the technical design and route of delivery from source to destination is technically achievable and meets ITV's expectations. Documentation for sign-off should be submitted to ITV Connectivity for processing at the production planning stage. Formal technical signoff should be received from ITV prior to entering into any contractual arrangements with third party providers and well in advance of circuits being booked. All live programmes should meet the technical requirements outlined in the document ITV Live Programme Delivery Specification

7.1	<u>Recording of Live Programmes</u> Production companies producing live programming for ITV are contractually obligated to deliver a recording of the live programme as broadcast on file to ITV after the live transmission.	connectivity@itv.com	Delivery Location: ITV and the Producer must agree in advance whether the Producer shall retain, rather than deliver to Content Delivery, a master recording of the Programme. This agreement should be expressly noted in the contractual paperwork. Delivery Date: The Producer should agree the contractual delivery date of this master recording with ITV Connectivity at the live programme planning stage.
7.2	<u>Deliverables for Live Programmes</u> 1 x AS-11 UK DPP File	connectivity@itv.com	Delivery Location: Delivered to Content Delivery Delivery Date: Delivered within 7 days post-TX

FURTHER INFORMATION AND ALL ACCOMPANYING DOCUMENTS AND FORMS CAN BE FOUND ON ITV'S PRODUCERS GUIDELINES PAGE ON ITV.COM [HERE](#) OR DO CONTACT YOUR LEGAL & BUSINESS AFFAIRS OR COMMISSIONING CONTACT WITH ANY QUERIES.
