

HIGH FIVE students, teachers, parents and administrators!

Welcome back your players for the 2021-2022 academic year! As you focus on concept understanding and team-building, consider Power Hitter® Educational products, curriculum and programs!

Power Hitter® Baseball * Classroom, a Sports-Themed Complete Curriculum, hits academic bases aligned to 50+ cross-grade level and interdisciplinary standards. Kids are motivated to learn as unique content connects learners to real-life application of subject matter that encourages team-building.

Research tells us, "Motivation drives attention, and attention drives learning." Kids tell us, "Power Hitter® makes learning FUN!"

Power Hitter® Classroom Curriculum Teacher's Package is ready to go! Directions are clear. Rationale is researched-based. Standards Spreadsheet is detailed. **Centers-based learning is attention gaining. Each aligns to 36 reproducible activity sheets** covering literacy, numeracy, social studies, science, data collection and analysis and focused research that integrates technology. Curriculum encourages critical thinking, movement, and peer collaboration. Students' Game Day activity sheets serve as a player's daily and cumulative assessment.

Power Hitter® Classroom supports all players as it

Develops ELL skills for students through consistent routine and peer-learning Remediates through Enrichment for Title I, 4th-8th/middle/high school and SPED classes Integrates technology and research into daily centers-based teaching Engages 4th-5th graders (and GT 3rd) with Inquiry and Project-based learning Supplements grade level (upper elementary/middle school) curriculum Promotes curriculum equity by encouraging all learners to think, reason, and communicate

TEACHERS: Power Hitter® Classroom Curriculum Package
