Once you have completed this worksheet, place your principles where you'll see them every day and review them often.

1 Choose your leadership values.

Example: *"Dependable"*

2 Turn each value into a principle.

Example: *"I show up early and prepared—because others are counting on me."*

3 Add your initial & favorite number.

IMPORTANT TIP:

Make one principle about others, because "if your leadership is only about you, then it's not leadership."

Add your signature here to commit to your principles.

MAKE IT REAL: DAILY ACTIONS
