

Limited Warranty

The provisions and terms of this Limited Warranty apply to LP® Project Panel (the "Product") manufactured by Louisiana-Pacific Corporation ("LP") and sold exclusively by Lowes. The Limited Warranty is made to the original retail purchaser of the Product ("Purchaser") and cannot be assigned, sold, or transferred to any other person.

The Product is manufactured to meet the *applicable* requirements of Department of Commerce Voluntary Product Standard PS-2*, is sold for a variety of non-specified uses, and is subject to exposure, wear and tear, and various conditions outside of LP's control. As such, LP provides the following limited warranty to Purchaser: for a period of 90 days from the date of retail sale of the Product, if the Product exhibits a manufacturing defect that makes it *structurally* unfit for use as a small project panel, LP will, at its option, refund Purchaser's purchase price or replace the affected Product. This is the sole and exclusive remedy available to Purchaser and all others. **In no event will LP be liable for any incidental, special, multiple, punitive, indirect, consequential, or resulting damages, including, without limitation, damage to any property, lost work, re-work, lost profits, labor costs, or any other costs. LP disclaims all other warranties, express or implied, including implied warranties of merchantability or fitness for a particular purpose, and any warranties arising from course of dealing or advertising.** Where warranties arise under consumer product warranty laws and cannot be lawfully disclaimed, such warranties are limited to the shortest period permitted or required under applicable law.

To make a warranty claim, Purchaser must contact LP within the 90-day warranty period, using one of the methods provided below, and provide proof of purchase of the Product.

This Limited Warranty applies where the date of retail purchase of the Product is on or after 11/19/2024.

*The Product is not intended to be used as siding on residential or accessory structures governed by building codes.
