

# NEW LP BUILDERSERIES® LAP SIDING

LP BuilderSeries® is treated engineered wood siding that helps provide added resistance from the elements for enhanced durability. It is designed for easier and faster installation and provides a longer-lasting, beautiful siding esthetic at an exceptional value.

- Self-aligning SmartLock™ feature that helps to eliminate the need to measure and set lap reveal for faster installation
- Treated with the SmartGuard™ process which helps offer superior protection against all kinds of weather and resistance against fungal decay and termites.
- Rich cedar-grain texture
- Pre-primed for exceptional paint adhesion
- Designed to pair with LP® SmartSide® 440 Series Cedar Texture trim for additional cost savings
- Backed by a strong 1/25-year limited warranty which features a 1-year 100% labor and material replacement and a 25-year prorated warranty
