

LP® SmartSide® 90-day Limited Warranty for Interior Use

Louisiana-Pacific Corporation (“LP”) provides this Limited Warranty to purchasers of SmartSide® Trim & Siding products (including ExpertFinish®) (the “Product”) where the Product is used in an interior application: for a period of 90 days from the date of installation of the Product, provided the Product has been transported, stored, handled, installed, finished, maintained and used in accordance with the applicable portions of the relevant Product’s Application Instructions, if the Product has a manufacturing defect that manifests itself during those 90 days which makes the Product unfit for use, LP will, at its option, either replace or refund the purchase price of the affected Product.

The Product, which is designed and sold primarily for exterior use, is subjected to wear and tear and various conditions outside of LP’s control when used in an interior application. As such, this is the sole and exclusive remedy available to the owner of the Product used in an interior application. **In no event will LP be liable for any incidental, special, multiple, punitive, indirect, consequential, or resulting damages, including, without limitation, damage to any property, lost work, re-work, lost profits, labor costs, or any other costs. LP disclaims all other warranties, express or implied, including implied warranties of merchantability or fitness for a particular purpose, and any warranties arising from course of dealing or advertising.** Where warranties arise under consumer product warranty laws and cannot be lawfully disclaimed, such warranties are limited to the shortest period as permitted or required under applicable law. This warranty is not transferable.

To make a warranty claim, owner must contact LP (see below) within the 90-day warranty period and provide proof of purchase of the Product.
