SOLUTIONS YOU NEED, WHEN YOU NEED THEM

LP is a leading OSB producer and the leader in strand technology across a variety of engineered wood products. Consistent product quality and regional product availability help ensure that LP TopNotch 250 and all of our solutions are available where and when you need them. With LP Building Solutions, you have access to world-class customer service and local market product support.

- Unique RainChannel® Notch System
- Easy Self-Spacing Tongue-And-Groove Design
- 25-Year Transferable Limited Warranty

The RainChannel® self-draining notch system allows water to drain quickly from the surface. Combined with a moisture-resistant edge seal, the RainChannel system helps fight moisture absorption and edge swell, reducing the need for sanding.
