

The Top Ten Reasons to Install LP® TechShield® Radiant Barrier

1. America's original and #1 brand of radiant barrier sheathing.
2. 20-Year Limited Warranty. (See LPCorp.com for complete warranty details.)
3. Reduces attic temperatures by up to 30° F.
4. Can account for additional points and result in an overall lower HERS score.
5. Blocks up to 97% of the radiant heat transfer through roof sheathing.
6. VaporVents™ technology with post-lamination incising allows panel to dry more quickly than other radiant barrier sheathing.
7. Installs like conventional roof sheathing, requiring no additional labor.
8. Cost-effective way to make a home more energy efficient.
9. May help qualify for Green Building credits.
10. Installed in more than 2 million homes.
