LIFE
CHANGING
PRICING

Standard Switch Mortgage: \$394.00

Collateral Transfer: \$568 plus GST & \$1.50 per \$5000 of mortgage amount

Standard Refinance: \$598 plus GST & \$1.50 per \$5000 of mortgage amount

The prices above include the remote signing fee, all regular searches, couriers, etc.

FREE
REMOTE
SIGNINGS

Clients can either meet at one of our offices or sign their documents remotely over two-way web conference. If necessary on a remote signing we courier documents to and from the client but this does not change the above pricing.

5 DAY
CLOSING
GUARANTEE

Of course we can and will close on tighter timelines if need be, but we guarantee every deal can be closed within 5 days of receiving mortgage instructions. Our intention is to have documents prepared for signing within 8 business hours of receipt.

In Calgary we are proud to offer a Safe Sign™ kiosk for those that can't risk meeting face to face yet don't want to meet over web conference. The kiosk allows us to witness from the kiosk while the client signs documents in their vehicle. This allows us to safely assist clients with any level of sophistication or risk tolerance.

MacKay Real Property Law offers 4 office locations in Calgary and Edmonton for your client's signing convenience.
