CONTRACT TERMS

COVERAGE OVERVIEW

Coverage under this Contract includes service on listed covered systems or appliances as outlined, located and installed within the boundary of the foundation of the main living quarters including, attached or detached garage (except, where applicable coverage has been additionally selected. E.g. well pump, air conditioner units, septic tank, and pool/spa equipment). Coverage is effective from the time of purchase and will remain in effect for 12 months. Homeowners may have a 30 day wait, but will have 12 months of coverage guaranteed.

UNKNOWN PRE-EXISTING CONDITIONS COVERAGE Covered: This contract covers breakdowns caused by unknown defects and conditions that predate the effective date of this contract (pre-existing). Coverage under this contract includes unknown pre-existing conditions or defects if the unknown pre-existing condition or defect would not have been detectable through a visual inspection or simple mechanical test. A visual inspection is an observation of the covered item to verify that it is structurally intact, without missing parts, and without damage or conditions that could cause imminent failure (i.e., corrosion, sediment build-up, mechanical damage, etc.). A simple mechanical test consists of operating the covered item, while performing simple diagnostic tests to ensure that it operates properly and without irregular sounds, smoke, or other abnormal outcomes. For full pre-existing details see section A3 of the service contract.

CUSTOMER SERVICE / REPORTING A CLAIM

We accept claims requests 24 hours a day, 365 days a year. In the event a covered item fails, place a service claim by calling us at 888-494-9460 or place a claim online at www.acclaimedhw.com. The contractor will call you to schedule an appointment during normal business hours. The services will be initiated under normal circumstances within 48 hours of your claim to AHW. In cases of emergency, we will make reasonable efforts to expedite service calls within 24 hours. An emergency situation is defined as a failure of a covered item resulting in: 1) a condition that immediately endangers health and safety; 2) a system failure that is causing ongoing damage to the home; 3) plumbing failure that causes interior leaking; causing ongoing damage to the home; 4) a complete loss of heat or air conditioning in extreme temperatures. AHW shall not be held liable for any damage or injury caused by any failure or delay in providing repair service. AHW will accept your request to expedite scheduling of a non-emergency service when a service contractor is available, however, you will be responsible for payment of additional fees, including overtime.

AHW shall have the right and discretion to select its own service contractors. AHW will not reimburse any costs or fees incurred by your own contractor without express written prior authorization by AHW.

There is a \$85 service call fee (per failure item) due when a claim is called in. AHW will let you know if you pay AHW or the assigned contractor when that claim is placed.

LIMITS OF LIABILITY AND EXCLUSIONS

AHW'S liability is limited to failures due to normal wear and tear during the term of the contract. AHW reserves the right to obtain a second opinion at no additional cost to you. The maximum amount of AHW's liability is detailed in sections F-G of the service contract. Seller coverage is limited to fifteen hundred dollar aggregate. AHW reserves the right to offer a cash in lieu of repair or replacement of a covered system or appliance in the amount of AHW's actual cost to repair or replace such system or appliance.

MISCELLANEOUS PROVISIONS

CANCELLATION: You may cancel this contract at any time. If you cancel the contract within the first 30 days of the coverage period and no service has been performed, you shall be entitled to a full refund of the contract proceeds less an administrative fee of \$100. If you cancel this contract after the 30 days of the coverage period, then you shall be entitled to a pro rated refund of the paid contract fee for the unexpired term, less an administrative fee of \$100 and any actual service costs incurred by AHW.

*IF WE CAN'T REPAIR IT, WE'LL REPLACE IT

*In some instances, Acclaimed Home Warranty may agree to payment of cash in lieu of repair or replacement. Payment will be made based on AHW's negotiated rates with its suppliers.
