If you want to get an offer in-principle faster than the usual timeline, visit the FastLane booth to fast-track your application and discuss your study options with our friendly Education Counselor.

You will have to queue for your preferred study destination, so you might want to browse through your student guide or view the event brochure to get to know the schools present.

## Step 4 – Meet Representatives

Visit the booth of the representatives written on your event boarding pass. Ask questions about their programs, the campus life, and any queries you have that will help you decide which school to pursue your study abroad journey in!

# General Information

## Step 5 – Book An Appointment

If you are done meeting with the school representatives and would like to begin your study abroad journey with the help of IDP's Education Counselors, you can now proceed to booking an appointment at the Appointments Booth. By booking an appointment with our Education Counselors, you can ask more questions, seek future guidance, or begin your study abroad journey soon.

Be sure to have your event passport stamped before leaving the booth.

## Step 6 – Apply To Chosen School

Submit your application if you are already decided on the school that you would like to study in. Go to the Applications Booth if you have your requirements. IDP will assist you and make sure you have a smooth and hassle-free journey.

If you don't have documents ready, you may still inquire about the process at the booth.

**\*Get a chance to win amazing prizes when you book an appointment or submit your application during the event.**
