General Information

Step 1 – Check-in

Students who pre-registered for the event are required to confirm your attendance by checking in with the Registration team. Walk in registrants are advised to sign up to be eligible to take part in the event. Once you are done with the check in, you will be given an IDP International Education Fair Event Kit consisting of your event passport, student guide, and other event essentials.

Students who were able to attend the Pre-Counseling Session are advised to proceed to the Priority lane to claim their Priority Passes.

Step 2 – Seminar

Attend seminars and learn about the study abroad requirements, application process, and scholarship & visa requirements in the UK and Ireland.

Be oriented with how IDP can help you in your study abroad journey with our free services. You may also ask the seminar speaker about any questions that you may have about your study abroad journey.

Don't forget to have your event passport stamped before leaving the seminar area.

General Information

Step 3 - Counseling

Meet IDP's expert Education Counselors to discuss your preferences and help you choose which study destination and school is best for you. Be sure to have your Event Passport ready, as this will be used by your Education Counselor to write their recommended schools that offer your desired courses and programs.

If you want to get an offer in-principle faster than the usual timeline, visit the FastLane booth to fast-track your application and discuss your study options with our friendly Education Counselor.

You will have to queue for your preferred study destination, so you might want to browse through your student guide or view the event brochure to get to know the schools present. Make sure to ask your counselor to put a stamp on your event passport before you leave the counseling booth.

Step 4 - Meet Representatives

Visit the booth of the representatives written on your Event passport. Ask questions about their programs, the campus life, and any queries you have that will help you decide on which school to pursue your study abroad journey in!

General Information

Step 5 – Book An Appointment

If you are done meeting with the school representatives and would like to begin your study abroad journey with the help of IDP's Education Counselors, you can now proceed to book an appointment at the Appointments Booth. By booking an appointment with our Education Counselors, you can ask more questions, seek for future guidance, or begin your study abroad journey soon.

Be sure to have your event passport stamped before leaving the booth.

Step 6 – Apply To Chosen School

Proceed to submit your application if you are already decided on the school that you would like to apply for. Go to the Application Booth if you have your application requirements with you. IDP will assist you with your application and make sure you have a smooth and hassle-free journey. You may also check out our Student Essentials Services booth to inquire about your accommodation, student banking, and many more.

If you don't have documents ready, you may still inquire about the process at the booth. Don't forget to have your event passport stamped before leaving the booth.

***Get a chance to win amazing prizes when you book an appointment or submit your application during the event.**

Event Passport

Visit booths, collect stamps, play games, and earn prizes!

The event passport will serve as your **guide** in visiting schools and various booths throughout the fair. After meeting with a counselor, you can **proceed to visit the schools written on your passport.**

You must also collect stamps by visiting various booths and completing tasks. **Earn 5 stamps to play at the Activations Area. Complete all stamps to win bigger prizes.**

CATS
GLOBAL SCHOOLS

Mander Portman Woodward

ONCAMPUS
Achieve more.

Edinburgh Napier University

Edinburgh Napier University develops students through the personalised learning and links to industry and find solutions to societal problems through research.

When students come to Edinburgh Napier University, they will study at one of the six specialist schools. Each of the schools is an impressive institution in its own right, with world-class facilities, academics, researchers and international links.

The University has three campuses in Edinburgh offering advanced facilities for learning, teaching and research. Based in an iconic, prosperous city and a stunning, ambitious forward-thinking country, Edinburgh Napier is a great place to live, work and study.

Campus Location: Edinburgh, Scotland

Glasgow Caledonian University

Glasgow Caledonian University (GCU) is a vibrant, innovative and multi-award winning University for the Common Good. Students can choose from more than 100 undergraduate and 70 graduate programs in vast subject areas. With a virtual hospital, high-tech broadcasting suite, fashion factory and even an online Second Life campus, Glasgow Caledonian puts a lot of effort into helping students enjoy their programme and gain the professional skills and knowledge employers want.

The university's single-site campus is friendly, personal and close-knit. Students will be on first-name terms with their lecturers and the campus design makes it easy to meet friends and classmates for breaks or study sessions. Not only that, but it sits right in the middle of the city nearby all transport links.

Campus Location: Glasgow, Scotland

HULT International Business School

With a diverse student body representing over 120 nationalities, Hult International Business School London provides a truly international learning experience that prepares students for successful careers in the global business world.

Students at Hult International Business School London can choose from a variety of degree programs, including a Bachelor of Business Administration (BBA), a Master of Business Administration (MBA), and a range of specialized masters degrees in fields such as international business, finance, marketing, and social entrepreneurship.

Campus Location: London, England

Leeds Beckett University

Leeds Beckett University is a world-class university with a 5-Star Rating from QS World University Rankings, and is one of the Times Higher Education top 250 modern universities in the world.

One of the most popular universities in the UK, Leeds Beckett University welcomes over 23,000 students from 143 countries around the world. The institution is committed to providing a friendly environment for all international students, starting with a dedicated welcome week for overseas students when they arrive at the university.

Students use state-of-the-art equipment and graduate feeling prepared to take the next step towards their future career.

Campus Location: Leeds, England

Sheffield Hallam University

The university was named the 'University of the Year' for Teaching Quality by The Sunday Times Good University Guide 2020 and achieved five stars in the 2021 QS Star rating.

Sheffield Hallam has a strong reputation for providing excellent teaching and a wealth of support for students. 96 percent of Sheffield Hallam graduates are in work or further study 15 months after graduating, as observed by the 2020-21 Graduate Outcomes survey, and why Sheffield Hallam was named University of the Year at the 2022 Educate North Awards in recognition of the number of graduates who go on to high-quality jobs.

Campus Location: Sheffield, England

St. George's University - School of Medicine

Founded as an independent School of Medicine in 1976, St. Georges University (SGU) opened its doors to students in January 1977. It has developed into a premier center of international education, attracting students and faculty from 140 countries to the Caribbean island of Grenada, in the West Indies.

Thanks to a distinctive partnership with Northumbria University, SGU offers students the opportunity to earn a Doctor of Medicine (MD) and study for up to two years in the United Kingdom. The SGU/NU Medical Degree Pathway is designed to cultivate knowledge, clinical skills, and research interests while offering the opportunity to experience various healthcare systems, preparing students to practice medicine across all specialties with a global perspective.

Campus Location: Grenada, West Indies

University of Chester

The University of Chester is one of the longest-established higher education providers in the UK, having recently celebrated its 184th year of teaching. Originally based on one campus in Chester, it now offers more than 200 single and combined honours programmes across several specialist sites.

In 2023, it ranked in the top 10 UK universities for international students (WhatUni Student Choice Awards), with reviews highlighting the university's dedication to providing its international cohort with life-changing learning and cultural experiences.

The University of Chester prides itself on its high graduate employment rate of 91.5 percent, with a large number of students finding employment or progressing to further education within six months of graduation.

Campus Location: Chester, England

University of Essex

The University of Essex is a widely respected institution on the eastern outskirts of London, offering students a comprehensive range of undergraduate and postgraduate degree courses and a rich university experience.

The university delivers its courses over three welcoming campuses in Colchester, Southend-on-Sea and Loughton, where students have access to quality academic resources and a high standard of teaching.

The University of Essex offers international students various scholarships, as well as support and workshops on employability skills to help them successfully apply for work during and after their studies.

Campus Location: Essex, England

University of Glasgow

The University of Glasgow has been educating students since 1451. Ranked in the top 100 universities in the world, Glasgow is the fourth-oldest higher education provider in the UK.

The University of Glasgow is a founding member of Universitas 21, a network of research-focused institutions which work to improve the standards of higher education worldwide.

Students can choose from over 600 different courses on offer at the institution, and can seek guidance from a brilliant student support service that helps with queries about workload, life in the UK, or even how to pay tuition fees. Students can also use the university's Internship Hub, which offers over 350 internship opportunities every year.

Campus Location: Glasgow, Scotland

University of Hertfordshire

The University of Hertfordshire is the UK's leading business-facing university and an exemplar in the sector. It is innovative and enterprising and challenges individuals and organisations to excel.

The university offers wide ranging undergraduate courses, postgraduate courses, continuing professional development (CPD), online distance learning and short courses. From Creative Arts, Humanities and Psychology to Engineering and Technology, University of Hertfordshire Schools of Study open the door to a huge and fascinating range of subjects. Hertfordshire Students Union has over 100 societies offering everything from salsa dancing to LGBT and baking to K-pop.

Campus Location: Hatfield, Hertfordshire, London

University of Leeds

The University of Leeds is ranked in the top 25 UK Universities in the Complete University Guide 2024, and among the world top 100 according to the QS World University Rankings 2024. It is also one of the Russell Group universities - a prestigious list of the top research-intensive institutions in the UK.

The university has a high student satisfaction rate and is third in the UK (Times Higher Education Student Experience Survey 2018). As part of that same survey, the university was ranked the second best in the UK for campus facilities, recognising the excellent location where students will fulfill their potential. Over GBP 120 million has been invested in two new buildings in recent years.

Campus Location: Leeds, England

University of Northampton

UON has increased focus on seminars or tutorials that allow closer interaction between students and a member of staff in the form of discussion in small groups or one-to-one that mimic practice in the professional world, allowing for experimentation, ideas, and teamwork.

The University offers a unique combination of benefits for international students that make them hard to beat when it comes for students on deciding where to study for UK degree. This includes work placement options, International Short Study programmes and their attractive International Scholarship scheme.

Campus Location: Northampton, England

University of Portsmouth

The university has a five-star rating for teaching, employability, internationalisation, facilities, arts and culture, and inclusiveness (QS Top University Guide 2024). It has been awarded an overall rating of Gold in the Teaching Excellence Framework 2023. 94 Percent of Portsmouth students are working or in further study after finishing their course (HESA Graduate Outcomes 2021/22).

Students can choose from hundreds of undergraduate and postgraduate degrees spanning business, creativity and culture, humanities, science and health, and technology.

Campus Location: Portsmouth, England

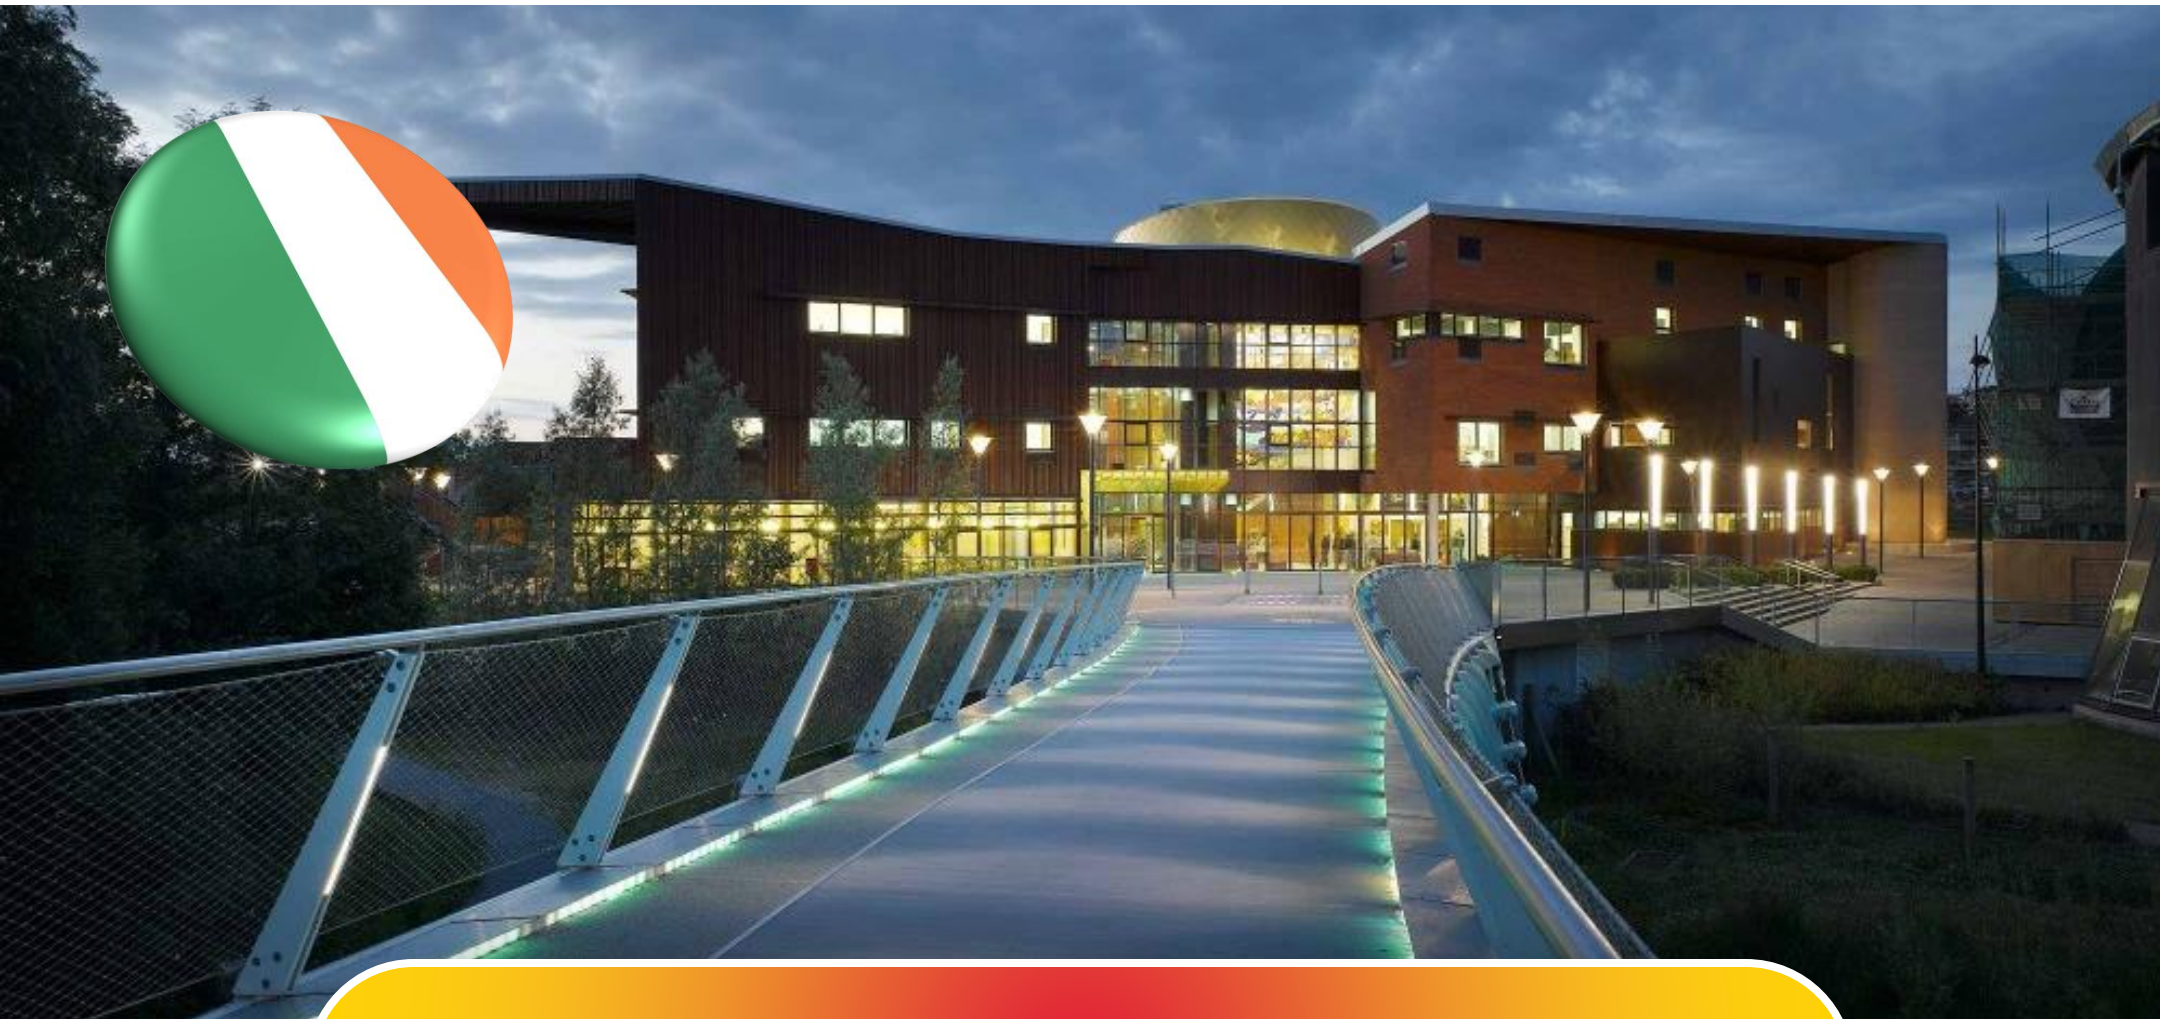

University of South Wales

The University of South Wales (USW) is a modern, forward-thinking institution which provides practical courses with an applied approach.

The satisfaction amongst students who study at the university is very high, with subject areas such as Complementary Medicine ranked second in the UK (Complete University Guide 2025). 95 percent of USW students are in employment or further study within six months of graduating (DLHE 2018), and successful alumni have gone on to work for well-known companies including Sony, BBC, the NHS, and British Airways.

Campus Locations: Pontypridd, Newport
and Cardiff, Wales

University of Limerick

The University of Limerick (UL) was established in 1972 as the National Institute for Higher Education, Limerick and classified as the University of Limerick in 1989.

The University offers more than 70 undergraduate programmes across Arts, Humanities and Social Sciences, Education and Health Sciences, Science and Engineering and the Kemmy Business School. It also delivers a strong postgraduate offering with more than 100 taught postgraduate programmes to Doctoral and Post-doctoral level.

UL houses some of the most innovative and successful research centres in Ireland. The Nexus Innovation Centre is a growing community of international researchers and entrepreneurs which supports new businesses and the creation of jobs.

Campus Locations: Limerick, Ireland

Cambridge Education Group

Cambridge Education Group is one of the most innovative and successful independent education providers in UK and USA.

Since 1952, Cambridge Education Group has been delivering the highest quality academic programmes, providing a valuable stepping-stone for thousands of students to progress onto the world's leading universities and maximise their career opportunities.

Whether students choose to study at one of our centres with ONCAMPUS or Castel or complete an online programme with CEG Digital or iheed, Cambridge Education Group promises to help students Achieve More with expert tutors, innovative high-quality content, premium facilities, and the personal service our students deserve.

CATS Global Schools

At locations in the UK, US and China, we provide students from over 100 nationalities with the education they need to develop real-life skills to prepare for tomorrow's world.

Our schools offer a home-away-from-home, a nurturing environment, where every student is empowered to make a contribution and shape their world.

Our CATS Global Schools community includes independent boarding schools, international schools, an Arts School, English language schools and a variety of summer schools with the common purpose of inspiring the next generation of world shapers.

Kaplan International Pathways

Kaplan International Pathways offers international students the life-changing opportunity to study a degree overseas. We help international students gain entry to a degree at a great university abroad and prepare for a successful career through degree admission, preparation, and career guidance.

Through Kaplan, you can apply directly to an undergraduate or graduate degree, and we have preparation courses leading to either a bachelor's or a master's degree too. Most preparation courses are studied on campus at the university you applied to.

In 2024, Kaplan Pathways became the first pathway provider to sign up to the UK Agent Quality Framework. This framework represents Kaplan's strong commitment to upholding the highest standards of agent management in higher education.

Mander Portman Woodward

Founded in London in 1973 by three Cambridge University graduates, the MPW Group is one of the best known and well-respected independent college brands in the UK. It comprises three fifth- and sixth-form colleges in London, Birmingham, and Cambridge, providing highly attractive and modern learning environments located near prestigious university campuses.

MPWs reputation is based on its student-centred, hands-on, and exam-focused programmes, its broad and highly flexible curriculum, small class sizes, strong pastoral support, and renowned university placement assistance. MPW has three colleges strategically located in London, Birmingham, and Cambridge within proximity of prestigious university campuses.

**Campus Locations: London, Birmingham,
Cambridge**

Navitas

Navitas connects students, agents, universities, and industry to an exceptional international higher education experience. From pre-university and pathway programs to postgraduate and degree programs, English language and vocational training, we provide numerous study options to aspirational learners across our global network of colleges and campuses, powered by our diverse and talented employees.

We provide life-changing learning opportunities for students at 98 campuses across the globe. Our success is underpinned by our unparalleled international network and peerless commitment to student experience and outcomes. Our passion drives us to discover new teaching and learning models and technology to improve education, both now and in the future.

Oxford International Education Group

Oxford International Education Group, founded in 1991, is a unique accredited education provider. Its extensive portfolio covers educational travel for schools, colleges and universities, English language schools for adult and junior students in the UK, Canada and USA, sixth form colleges, university pathway programmes and TESOL teacher training courses. The group carry over 12,000 students on its students educational tours and its academic studies programmes cover GCSE, A-levels, University preparation and summer courses for 14-19-year-olds. The University Pathway programmes consist of Foundation courses, Masters, and English language training for talented international students.

Oxford International Education Group has become one of only four companies to be accredited by the various Universities Purchasing Consortia. With over 23 years of experience delivering English language courses, the group has become one of the top providers in the UK.

Study Group

Study Group is a leading international education specialist and a trusted strategic partner to more than 50 universities around the world. Committed to a better world through education, we deliver high quality international education solutions that drive success for our partners and students from outstanding teaching to innovative approaches to international recruitment and student support.

Through our university partnerships and innovative face-to-face, online, and hybrid study programmes, Study Group guides thousands of international students each year towards academic and professional success – creating opportunities for the next generation of industry experts. Our courses range from pathways to undergraduate and postgraduate study delivered in partnership with universities across the world, to the specialist online delivery of medical and executive education with global leaders, such as Imperial College London and ETH Zurich.
