Capitalized terms not expressly defined in this Agreement shall have the meaning ascribed to them in the Nadex Rules.

1 CONTROLLING PROVISIONS; CONDITION PRECEDENT

(a) All of the terms and conditions contained in the Membership application process, as well as in the Nadex Rules, shall regulate all exchange trading activities of a Market Maker unless otherwise provided for in this Agreement, in which case this Agreement shall be controlling.

(b) For avoidance of doubt, Market Maker may not function as a Market Maker under this Agreement unless Market Maker is a Member of Nadex, and notwithstanding any other provision of this Agreement, Market Maker being a Member shall be a condition precedent to the effectiveness of this Agreement.

2 MARKET MAKER OBLIGATIONS

(a) Beginning on the Effective Date, the Market Maker shall continuously quote binding bid and offer prices, submitted as Post-Only Quotes as that term is defined in the Nadex Rules, at or inside of the defined maximum spread (“Defined Spread”) at not less than the defined minimum size (“Defined Size”) in the listed Contracts of all Classes to which the Market Maker is assigned as set forth in Appendix A (“Designated Classes”), as it may be amended from time to time by mutual agreement of the parties, at all times during which the Designated Classes are open for trading, except as otherwise provided in this Agreement. Market Maker shall not submit Non Post-Only Orders as defined by the Nadex Rules.

(b) The Market Maker acknowledges and agrees not to engage in any activity that would violate the Commodity Exchange Act, as amended (the “Act”), or the Commission’s regulations adopted thereunder, or Nadex Rules or terms of its Membership Agreement. The Market Maker also understands and agrees that this Agreement may be unilaterally modified or cancelled by Nadex for any reason if directed to do so by the Commodity Futures Trading Commission (the “Commission”) in order to comply with the Act or the Commission’s regulations adopted thereunder.

(c) Market Maker shall not knowingly employ any Authorized Traders who are subject to statutory disqualification under Section 8a(3) of the Act.

(d) Market Maker shall notify Nadex within 24 hours of the addition or deletion of any Authorized Traders for their account at Nadex. All Authorized Traders may engage in Market Making activity on the exchange only via their assigned username.

- (iv) An act of God, war, terrorism, fire, flood, civil disturbance, or act of any governmental authority beyond the control of the Market Maker or Nadex occurs which prevents the Market Maker from entering Post-Only Quotes or prevents the Market Maker from maintaining an orderly market;
- (v) Where any interruption, defect, withdrawal or failure of power supply, trading systems, network, internet connections, computer systems, communications (whether owned or operated by Market Maker, Nadex or any third party) or other similar force majeure event prevents the Market Maker from entering Post-Only Quotes or prevents the Market Maker from maintaining an orderly market;
- (vi) Market Maker has a position in any Designated Class or Contract that equals or exceeds 90% of the applicable position limit for such Designated Class or Contract; or
- (vii) Market Maker is holding a position in certain specified contracts that reaches or exceeds a level set forth in the applicable contract specifications in the Nadex Rules.

Market Maker Agreement

(b) The parties will each inform the other by telephone and subsequently by email as soon as practicable after either of them becomes aware that they believe any of the foregoing Suspension Events is occurring or has occurred, or ceases to exist. With respect to any Suspension Event pursuant to Section 3(a)(v) that extends for more than 20 minutes in any Contract or Designated Class, Market Maker must also file a Market Maker Issue/Disruption Notification within 24 hours of the suspension with details of the event.
