**FINDINGS:** On January 8, 2019, the Nadex Compliance Department sent Nabeel Malik ("Malik") an Account Inquiry letter requesting, among other things, general background information, source of funds information and details regarding his order and trading activity. Despite follow-up communications providing Malik with additional extensions to respond to the request for information, he failed to comply and/or respond to the inquiry letter. Additionally, the Compliance Department found that Malik allowed another Nadex Member to fund his Nadex account by transferring funds into his bank account which were subsequently transferred to Nadex, thus providing the other Member with a direct economic interest in the activity and trading in his Nadex account. Further, this investigation revealed that Malik executed trades in his Nadex account with funds that would not have been available to him in the bank account on record, but for the funding from another Nadex Member, and traded his account on behalf of the other Member.

During the course of its investigation, the Compliance Department analyzed the order and trading activity throughout the life of Malik's Nadex account. Through this review, the Compliance Department discovered that Malik engaged in or attempted to engage in a manipulative scheme to defraud Nadex markets in at least 18 binary option contracts for FX pairs GBP/JPY, EUR/USD, USD/JPY, and USD/CAD between October 12, 2018 and December 31, 2018. The presence of a manipulative scheme was further enhanced upon review of Malik's account and background information, where it was discovered that he had significant connections with other Nadex Members via trading activity.

Based on Nadex's investigation, the Compliance Department determined that Malik violated Rule 3.3(a) and Member Acknowledgements and Authorizations, Section (h) of the Nadex Membership Agreement when he failed to cooperate with the Compliance Department's inquiry regarding these matters. Furthermore, Malik violated the Nadex Membership Agreement, Member Representations Section (d), when he allowed another Nadex Member to have a direct economic interest in the activity and trading in his Nadex account. Finally, Malik violated Nadex Rule 5.19(g)(1) when he executed trades in his Nadex account on a third-party's behalf. Additionally, Malik's manipulative activity was to the detriment of other market participants. Engaging or attempting to engage in conduct and practices that are manipulative and inconsistent with just and equitable principles of trade, and that pose a risk to the Exchange, its members, and/or to the public, is in contravention of Nadex Rules 5.19(h), 5.19(i), 5.19(n) and 5.19(t). Accordingly, the Compliance Department has concluded that Malik violated Nadex Rules 5.19(h), 5.19(i), 5.19(n) and 5.19(t).

**PENALTY:** As a result of the aforementioned violations, the Nadex Compliance Department has deemed it appropriate to fine Nabeel Malik \$18,000.00, and order him to pay disgorgement in the amount of \$39,101.25. Additionally, Nabeel Malik's Nadex Membership shall be revoked, his account terminated, and he shall be permanently banned from trading on Nadex markets, either directly for his own account, through an intermediary, or as an authorized trader on behalf of any other account.

**EFFECTIVE DATE:** May 5, 2022
