**FINDINGS:** On January 10, 2020, the Nadex Compliance Department sent Guoqing Wang ("Wang") an Account Inquiry letter requesting, among other things, general background information, source of funds information, banking statements and details regarding his order and trading

activity. The Compliance Department acknowledges that Wang responded and provided certain information, However, Wang failed to provide the Exchange with information regarding his relationship with other Nadex Members as well as requested banking statements. Additionally, Wang also provided false and/or misleading information regarding his connections with other Nadex Members as well as his banking and trading activity.

During the course of its investigation, the Compliance Department found that Wang allowed another Nadex Member to fund his Nadex account from a bank account, thus providing the other Member with a direct economic interest in the activity in his Nadex account.

Based on Nadex's investigation, the Compliance Department determined that Wang violated Rule 3.3(a) and Member Acknowledgements and Authorizations, Section (h) of the Nadex Membership Agreement when he failed to fully cooperate with the Compliance Department's inquiry regarding these matters. Additionally, the Compliance Department concluded that Wang violated Exchange Rule 5.19(k) when he provided misleading information related to his connections with other Nadex Members as well as his banking and trading activity. The Compliance Department has also concluded that Wang violated the Nadex Membership Agreement, Member Representations Section (d), when you allowed another Nadex Member to have a direct economic interest in the activity and trading in your Nadex account.

**PENALTY:** Based on the foregoing, the Compliance Department, with approval from the Chief Regulatory Officer, has deemed it appropriate to fine Guoqing Wang, \$3,500.00.
